Motions, Memorials, and Resolutions**HOUSE JOINT MEMORIAL NO. 1
BY HEALTH AND WELFARE COMMITTEE****A JOINT MEMORIAL**

TO SECRETARY OF HEALTH AND HUMAN SERVICES MIKE LEAVITT, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA) was designed to deliver a federal pharmacy benefit to Medicare beneficiaries. It was also designed to ease state Medicaid programs of their responsibilities for providing pharmacy benefits to those dually eligible for both the Medicare and Medicaid programs; and

WHEREAS, although the clear congressional intent was to ease the fiscal burden on states, the Phased-Down State Contribution, also known as the "clawback," will actually cause the state of Idaho to expend more moneys in Medicaid than it would have in the absence of the MMA; and

WHEREAS, while the federal formula used calendar year 2003 as the base year and applies an annual national inflation in the costs of the Phased-Down State Contribution, it fails to account for Idaho's current and future efforts to curtail prescription drug costs; and

WHEREAS, the state of Idaho has, since the base year of 2003, engaged in multiple efforts to curtail spending on Medicaid prescription drug costs, including enhancements to the state Medicaid Allowable Cost program, initiation of a supplemental federal rebate program, participation in a multistate purchasing pool, The Optimal Preferred Drug List or "TOP\$," and implementation of a Mental Health Pharmacy Management Initiative to improve prescribing practices of Idaho Medicaid providers prescribing mental health drugs; and

WHEREAS, during the base calendar year of 2003, Idaho's rebate percentage was 21% and is used in the base of the Phased-Down State Contribution calculation, the actual rebate percentages in state fiscal year 2006 were 27.07% and 32.59%, respectively. This gain in efficiency, which represents a reduction in net cost, is not accounted for in the Phased-Down State Contribution calculation.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature of the State of Idaho respectfully requests the Secretary of Health and Human Services to amend, if not eliminate, the Phased-Down State Contribution since it has created an additional fiscal burden upon the state of Idaho.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to Secretary of Health and Human Services Mike Leavitt, and the congressional

delegation representing the State of Idaho in the Congress of the United States.

**HOUSE JOINT MEMORIAL NO. 2
BY STATE AFFAIRS COMMITTEE****A JOINT MEMORIAL**

TO THE PRESIDENT OF THE UNITED STATES, THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES, TO THE DIRECTOR-GENERAL OF THE WORLD HEALTH ORGANIZATION AND TO THE REPRESENTATIVE OF THE TAIPEI ECONOMIC AND CULTURAL REPRESENTATIVE OFFICE IN THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, direct and unobstructed participation in international health cooperation forums and programs is crucial for all parts of the world, especially with today's greater potential for the cross-border spread of various infectious diseases such as AIDS; and

WHEREAS, Taiwan's achievements in the field of health care are substantial, including life expectancy levels that are some of the highest in Asia, maternal and infant mortality rates that are comparable to those of western countries, free hepatitis B vaccinations for children and the eradication of polio, cholera, smallpox and the plague; and

WHEREAS, the Centers for Disease Control and Prevention and its Taiwanese counterpart have enjoyed close collaboration on a wide range of public health issues; and

WHEREAS, in recent years Taiwan has expressed a willingness to give financial and technical assistance to the international aid and health activities supported by the World Health Organization; and

WHEREAS, Taiwan's population of twenty-three million is larger than that of seventy-five percent of World Health Organization member states; and

WHEREAS, the United States, in its 1994 Taiwan Policy Review, declared its intention to support Taiwan's participation in appropriate international organizations; and

WHEREAS, Taiwan's participation in the World Health Organization could bring many benefits to the state of health care, not only in Taiwan, but also regionally and globally.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support the participation by Taiwan in a meaningful and appropriate way in the World Health Organization.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, to the President of the Senate and the Speaker

of the House of Representatives of Congress, to the congressional delegation representing the State of Idaho in the Congress of the United States, to the Director-General of the World Health Organization and to the representative of the Taipei Economic and Culteral Representative Office in the United States.

STATING FINDINGS OF THE LEGISLATURE AND URGING THE STATE BOARD OF EDUCATION TO INTEGRATE THE PRINCIPLES OF BASIC PERSONAL FINANCE INTO THE PUBLIC SCHOOL CURRICULA IN IDAHO.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, basic personal financial management, including the principles of saving, spending, credit, investment, taxes and insurance, is an essential life skill necessary to the well-being of all Idahoans; and

WHEREAS, the personal financial responsibility and well-being of the emerging generation will be essential to the overall health and well-being of Idaho's future economic and social condition; and
